# Completing Your Exam Entry

**Step 1** Log into the Members' Area and navigate to the [Online Exam Entry](#) section.

**Step 2** Register your candidates

- If you have a candidate who is new to RAD exams, please register them. (See [pg. 7](#) for detailed information on how to register a candidate).
- If you have a candidate who previously took exams with another school, contact your Exam Planner to have the student transferred to your school. **Please DO NOT create a new ID number for them.**

**Step 3** Pay membership dues

- Teachers are not able to submit entries or be linked to any candidates on an exam entry unless their membership is "Active". To pay your membership fees, log into the Members' Area and navigate to [My Account/My Renewal](#).
- If you have vocational candidates who wish to take advantage of the Member discount on exam fees, **ensure that their membership is active at least 48 hours before you add them to your entry.** (If they are added to your entry before the membership payment goes through, the full exam fee will be charged.)
- **Note:** you will see an  beside the candidate's name once they are a Member.

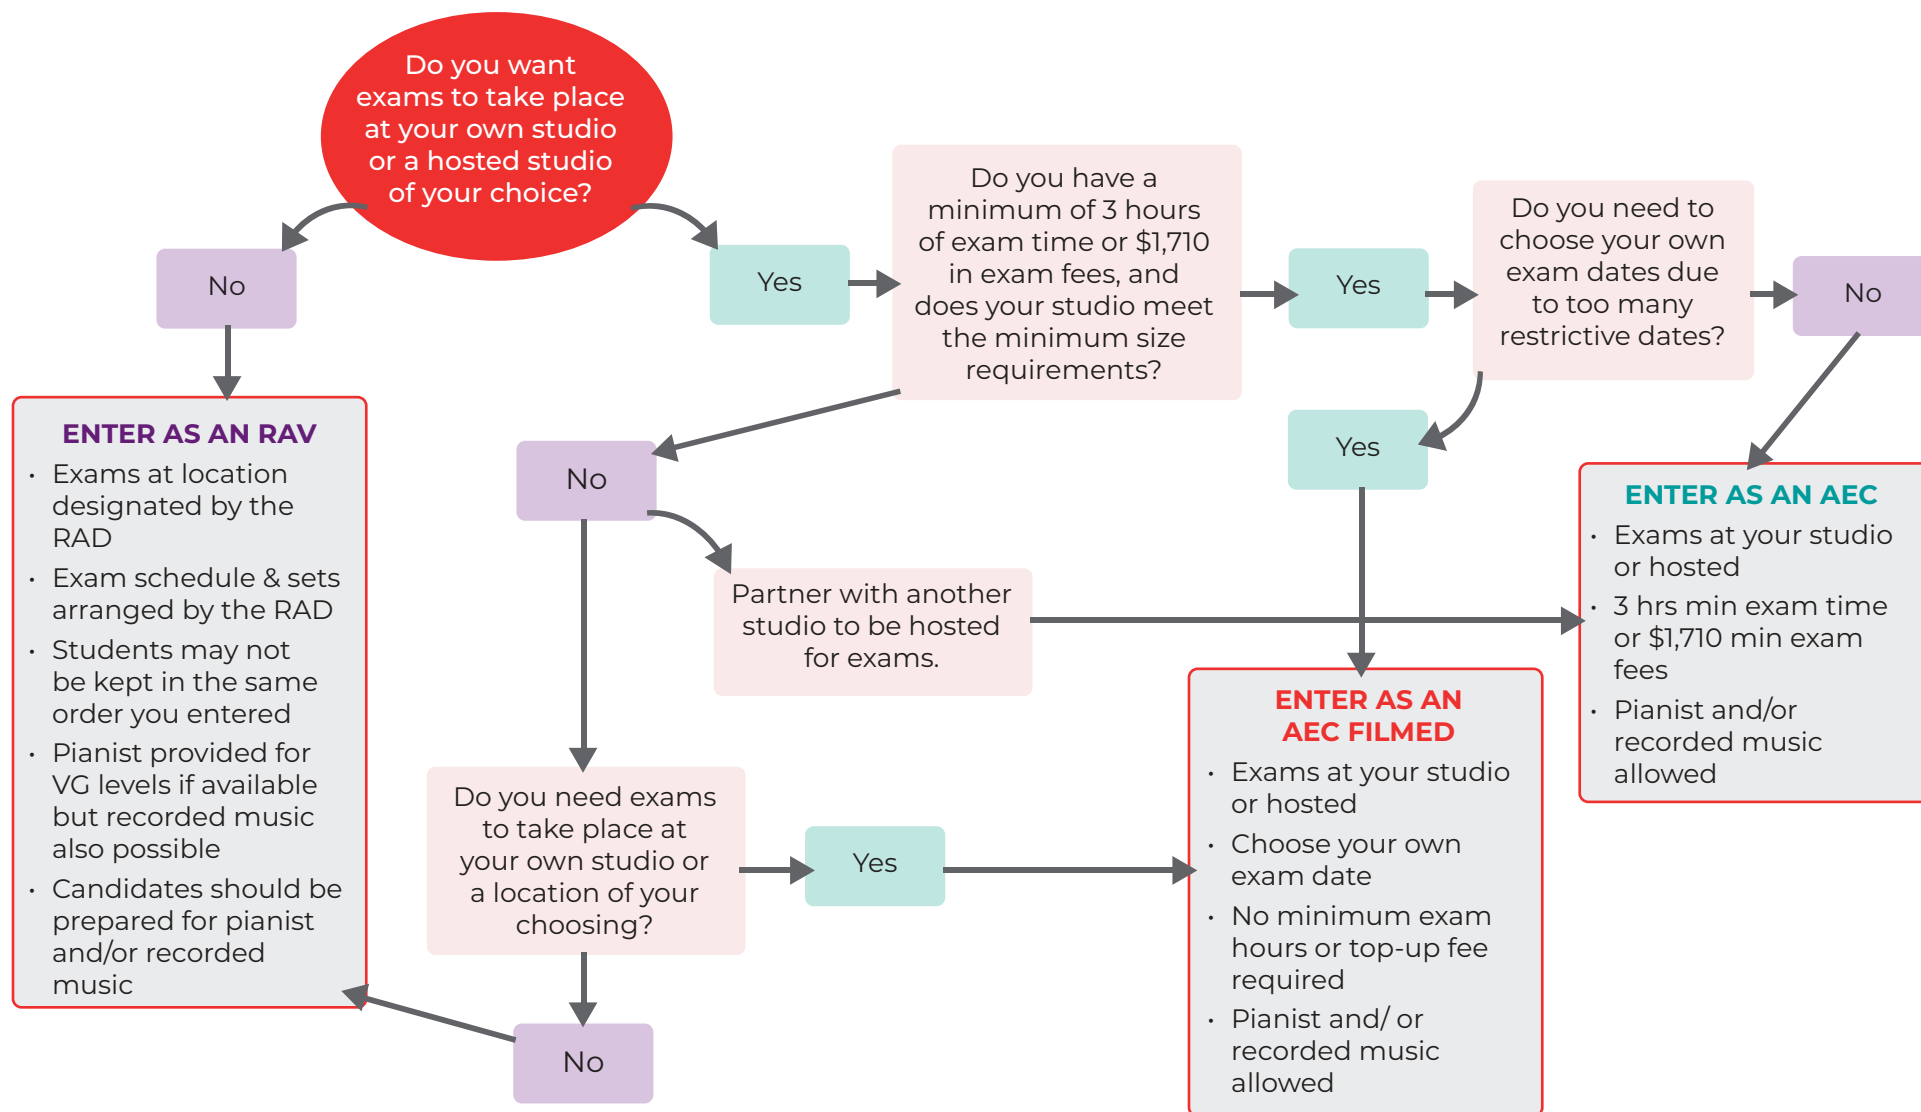

**Step 4** Start your exam entry

- Click on "MY EXAM ENTRIES" and then either "NEW AEC ENTRY" or "NEW RAV ENTRY".
- For an AEC entry, choose Exam Location (Venue) from the drop-down list.
- Choose Exam Session (filmed or live).
- Select or fill in the delivery address, e-mail, phone number and card billing address. (Note: the delivery address is where we send the certificates. The billing address is the address connected to the credit card you are using for payment).
- Enter your candidates.

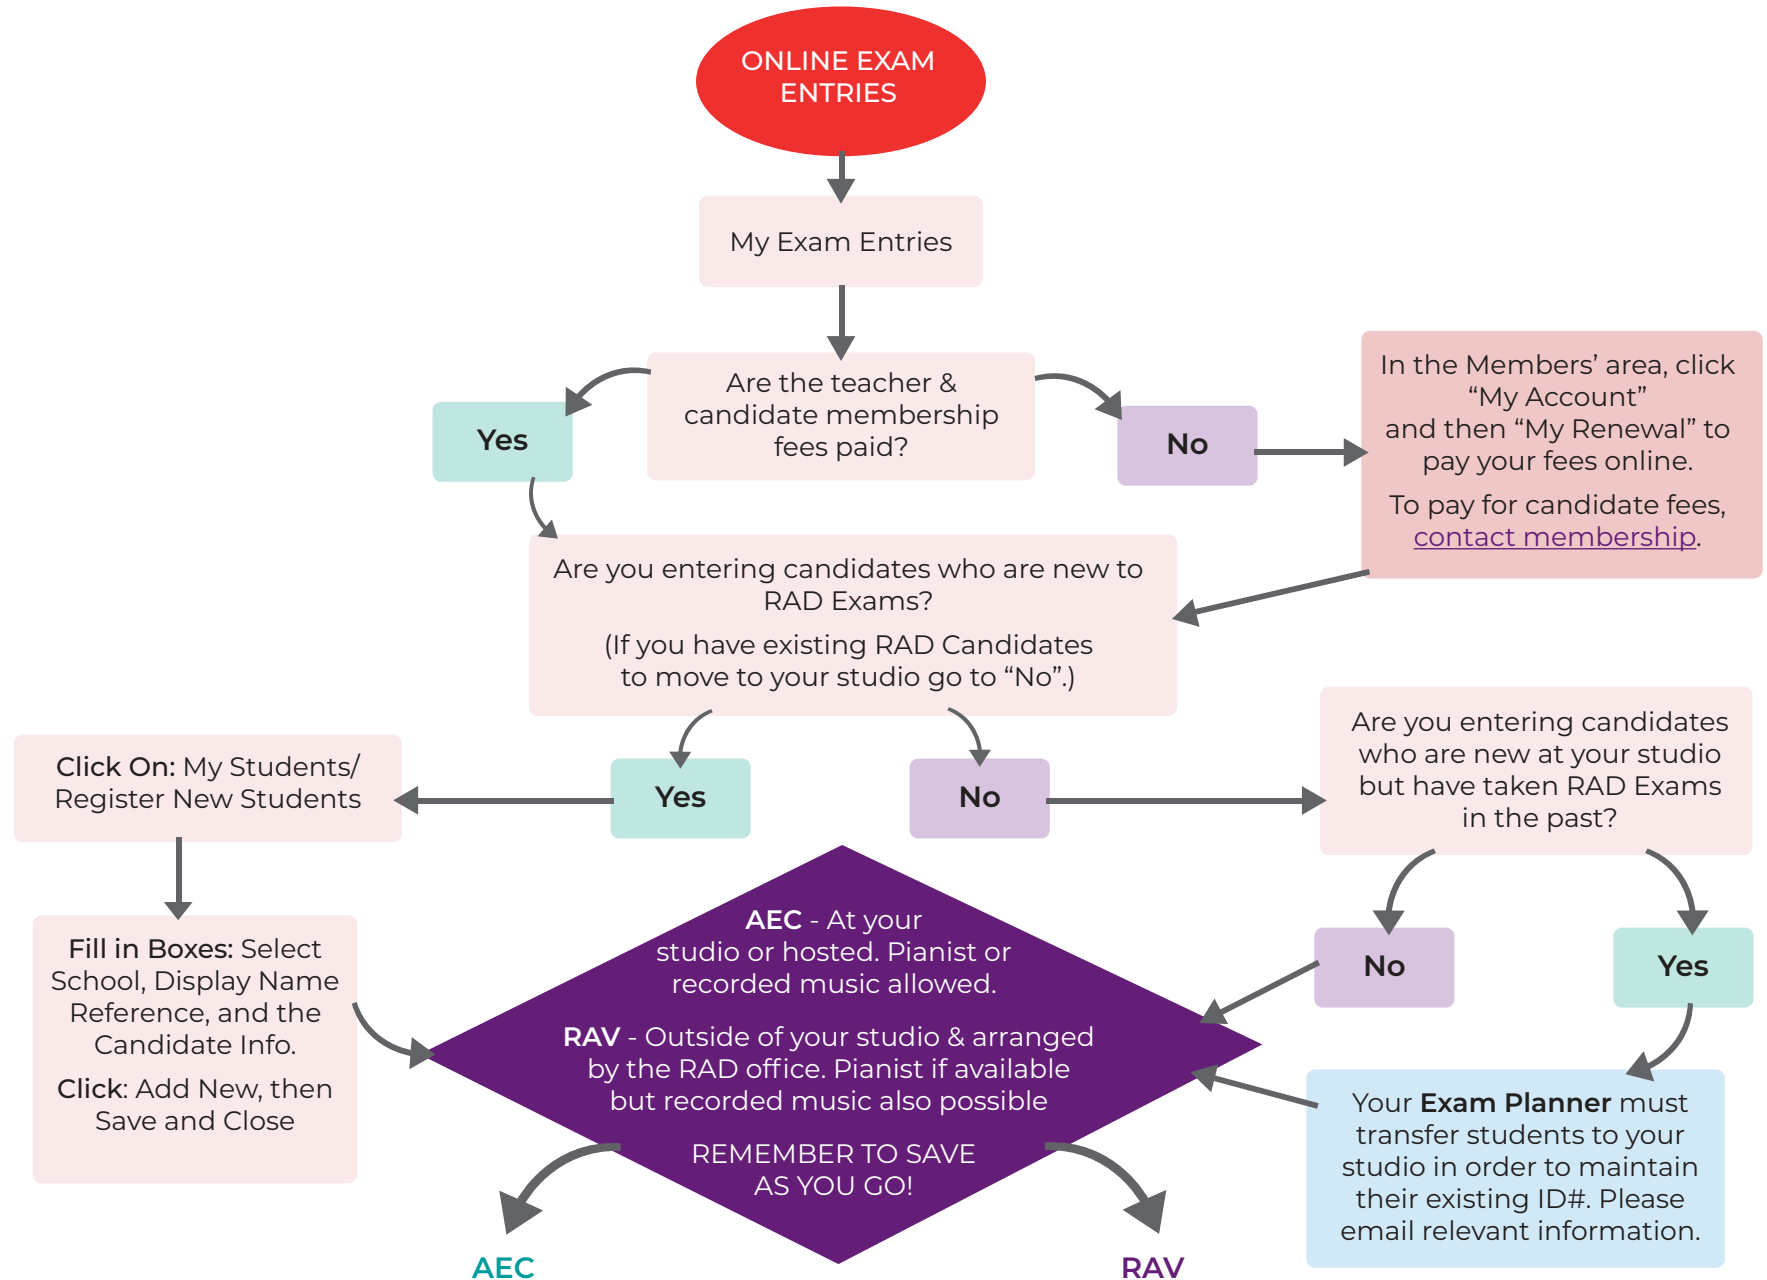

**Step 5** Save and submit

- If your entry does not meet the minimum three hours of exam time, or \$1,710 in exam fees, you have the following options:
  - **Film** – Film your entry (no minimum requirement).
  - **Hosting/Hosted** – Make arrangements to join with another studio entered for the same session. If the hosting site you wish to use does not appear on your school's profile, contact your exam planner **in advance of the closing date** to have this site added. Please note, the RAD is not permitted to make hosting arrangements for schools.
  - **Fees** – Pay the top-up fee to bring your entry to the minimum \$1,710 exam fee requirements. (Upon submitting your entry, the system will automatically charge you the minimum fee).
  - **RAV** – Have your candidates take their exams at an RAV. (If you have already started an AEC entry, you must delete it and start over with an RAV entry).
